CAMPUS FEATURES

SWIMMING POOL, HOT TUB AND GARDENS

All campus facilities are state-of-the-art and include multimedia-powered classrooms, a media lab, a library, an indoor and outdoor canteen area, parking areas, tennis courts and a luxury swimming pool with a hot tub. Perfectly central, the campus is within walking distance to the beach and SWIMMING POOL, HOT TUB AND GARDENS city centre.

SPORTS AND EXTRACURRICULAR FACILITIES

Our campus facilities cater to a variety of exciting sports and extracurricular activities, including tennis, squash, basketball, football and more.

PRIVATE CAR PARK

All students can park their cars within the gated private parking area on campus.

CAFETERIA

The cafeteria features both an indoor and outdoor dining area, where students can grab a bite to eat, get their caffeine fix and socialise between attending lectures.

LOUNGE AREAS

Throughout the campus, you will find cosy lounge areas, furnished with comfortable sofas and tables where you can do your homework, chat and chill.

LIBRARY

Our library offers students an extensive selection of books, magazines, newspapers and videos. Use our top-of-the-range computers to access over 7000 academic journals via the Blackboard digital platform.

CLASSROOMS

All our multimedia-powered classrooms are equipped with cutting-edge interactive whiteboard projector screens integrated with the Blackboard learning platform.

MEDIA LAB

In our high-tech media lab, you will find iMacs holding the latest software, as well as top-of-the-line photo and video editing equipment. All our multimedia-powered classrooms are equipped with cutting-edge interactive whiteboard projector screens integrated with the Blackboard learning platform.

LIFE IN MARBELLA

The attractions are almost endless – with everything from luxury stores to outdoor markets, festivals, live music, historical monuments, museums, art galleries, restaurants, nightclubs, pristine beaches and so much more; Marbella will be sure to entertain your soul's every desire.

TRAVEL

Marbella spans 30km along Costa del Sol and is very well connected with the rest of Spain, providing our students with the opportunity to travel and explore exciting new places. There are daily trips to the bustling towns of Malaga, Sevilla and Granada, and Morocco is just a short ferry ride away.

LIFESTYLE

You will fall in love with the laidback appeal of Spanish hospitality in Marbella. Going out and socialising over a "cerveza" (beer) or coffee is a daily past-time. In summer, locals gather at the "chiringuitos" (beach restaurants) to tuck into some traditional Spanish "tapas".

FOOD & DRINK

Marbella's cuisine is like the area itself; extensive, varied, and a feast for the senses. Delight your taste buds with delectable local dishes, like gazpacho or pescaito frito. Spain is also renowned for its award-winning wines and sherries.

RESTAURANTS & NIGHTLIFE

With world-class restaurants, bars and nightclubs glittering across the Riviera, it's not hard to see why Marbella is famous for its spellbinding nightlife.

World Class Guest Speakers

CLAUDE LITTNER

British-American business executive, former chairman of Viglen, Powerleague and ASCO, and former chief executive of Tottenham Hotspur Football Club

IRINA BOKOVA

I have had an incredible learning experience so far at MIUC. We all belong to an international family held together by supportive faculty members and senior students, making MIUC everything a student could ever need from a university. We are taught by prestigious lecturers in a unique and stunning location, and are even offered amazing internships to enrich our educational journeys.

Global Network

"Studying at MIUC is like discovering the world on one campus. Our common ground is that we are all so different - and that's what we bond over."

Our Approach to Learning

With a low student-to-lecturer ratio of 10:1, MIUC students benefit greatly from the individual attention with which we provide them. Our lecturers are global experts in their fields, ensuring that you receive a degree inspired by real-world industry practices, preparing you for a competitive international career market.

We take a student-centred approach to learning, tailoring the learning experience to the needs of individual students. Classrooms are equipped with state-of-the-art multimedia tools, allowing our students to work with their lecturers and peers on a whole new level of interactivity.

At MIUC, we know the importance of linking theory to practice. Every graduating senior completes a Capstone assignment, taking part in a strategic consulting project for a local or national company, entrepreneurial venture, or non-profit organization. Our goal is to cultivate the next generation of global leaders, furnishing them with the knowledge and skills necessary to prepare them for the challenges and successes their future careers hold.

Pre-sessional english courses

Pre-sessional English courses are offered before the academic year begins to help you meet the minimum requirements to apply for a MIUC programme, or if you would simply like to improve. The courses are designed to assist students in developing their existing academic English skills to MIUC standards, preparing them to complete a degree in English.

Partner Universities

PARTNERSHIP WITH THE UNIVERSITY OF WEST LONDON (UWL)

Since 2015, MIUC students have had the opportunity to graduate with both a Bologna and a UK degree through a strategic partnership with the University of West London; ranked as the 8th best modern university in the UK, and according to the National Student Survey (NSS), the best university in London.

UWL COURSES:

In partnership with UWL, MIUC offers exciting and prestigious degree programmes, enabling you to earn your qualification from what is truly a "Career University".

PARTNERSHIP WITH THE MOSCOW INSTITUTE OF INTERNATIONAL RELATIONS (MGIMO)

MIUC students also have an opportunity to apply for the double degree programme that MIUC developed in partnership with the world-renowned Moscow State Institute of International Relations – known as the Russian Harvard.

MGIMO AND MIUC DOUBLE DEGREE PROGRAMMES:

- BA (Hons) International Business
- BA (Hons) International Relations
- MA International Policies and Global Politics

Partnerships with MGIMO and UWL are opening a new set of possibilities for MIUC students to gain a competitive advantage in the global labour market.

The ability to attain a Bologna-accredited, Russian or UK degree is a huge benefit, as it enables our students to study and work in prestigious institutions across the globe.

Academic programmes

MIUC offers a range of dynamic Bachelor and Master programmes facilitated by distinguished academics and industry professionals, which combine interactive teaching practices with world-class facilities and personalised student services, tailoring your degree to your needs. All our BA & MA Programmes are taught in English, and some can be completed in partnership with other leading academic institutions throughout Europe. Language courses in different levels of Spanish, English, Russian, Arabic, French and Chinese Mandarin are available, as well as pre-sessional English courses for those who are yet to reach the minimum language.

I chose to study at MIUC because it is one of the few universities that offers a sports management degree. The programme has exceeded my expectations, and the professors are amazing because they have so much knowledge and experience to offer. I feel that my professors care about me and my success, helping me in every way that they can. What's also great about MIUC is that everybody is so close, because everybody knows each other. The members of staff are always there to help us with anything we might need. To anyone considering joining MIUC; I would highly recommend this university, as it's a great place to enhance your learning and gain all the knowledge you need to succeed in the next chapter of your life.

Mariana Rovner

MA Marketing & Advertising
 Russia, 25 years old

I moved to Spain, and began my own start-up here, when I realised that I was lacking the necessary knowledge in marketing and advertising to successfully continue with my business. I would definitely recommend MIUC to future entrepreneurs, because of all the internships they offer. You can get an internship on the coast, in Spain, or even internationally. Through internships, I was able to improve my professional Spanish skills, and I learnt how to communicate more confidently.

Life coach and counselling

LIFE COACHING SERVICES

Life coaching is a powerful mechanism for personal and professional development, and helps facilitate personal change to drive performance. The process aims to help you discover how to address your challenges, develop greater self-awareness, identify goals and potential barriers, all of which allow you to develop the appropriate skills and strategies to feel empowered in your actions and decisions.

COUNSELLING SERVICES

MIUC's counselling services have been established to offer our students a space in which they can express their concerns and issues confidentially, allowing them to open up to a trusted professional. Through psychological intervention, our counsellors develop the most effective treatment plans to adequately address any emotional, psychological, personal, or academic issues our students may be experiencing, fostering a caring home-away-from-home environment at MIUC.

Sports at MIUC

At MIUC, you can take part in a wide range of exhilarating sports and extracurricular activities. With our premium recreational facilities, we have been able to foster an active, connected campus environment, allowing each student to join in on what MIUC has to offer.

PERFECT SPORTING CONDITIONS

With Marbella's moderate climate and ideal coastal location, the conditions are perfect for outdoor sports at any time of year. From swimming in the Mediterranean Sea to skiing at the world-famous Sierra Nevada Ski Resort, there is an activity to keep every student fit, healthy and happy.

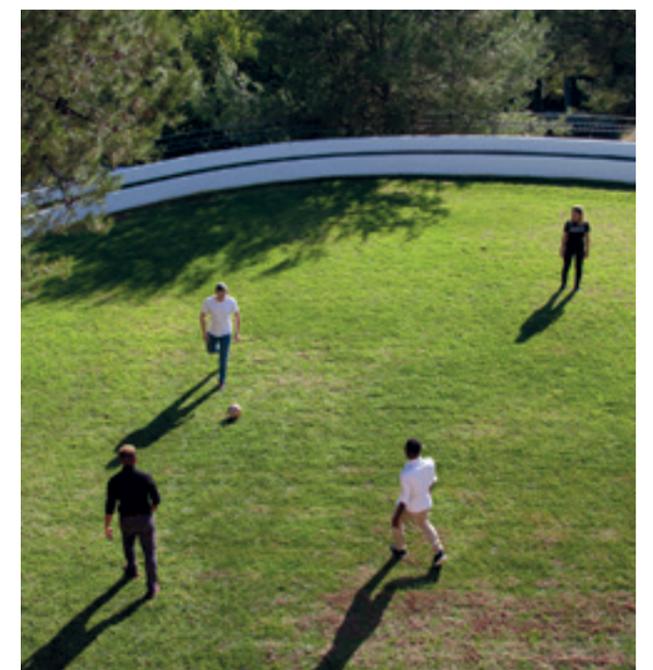

RECREATIONAL AND COMPETITIVE ACTIVITIES

At MIUC, we organise many recreational and competitive activities for our students, from regular football and volleyball matches to martial arts workshops, cycling, hiking and skiing day trips.

PREMIUM FACILITIES

Students are also free at any time to make full use of the premium sports facilities on campus, such as the tennis court, cycle station, swimming pool, ping-pong table, pool table and mini volleyball court.

OTHER SPORTS AND ACTIVITIES INCLUDE

Football / Futsal / Basketball
Running / Bachata / Sailing / Squash
